

Inova neighbor construction update: Sewer line improvement project begins

Tuesday, December 23, 2025

Hello neighbors,

I know it has been a while since we last connected. I'm reaching out to share a brief update. We continue to work to coordinate schedules with VDOT and Fairfax County. As you know, we did stake the limits of clearing (the white ribbon/tape that went up in the fall). We do anticipate things starting up again soon after the New Year, so we will be out to check those stakes and replace any that have fallen or been removed. I will be reaching out again once we know a date certain for work to commence so you are prepared and can help share word with your neighbors.

We thank you for your continued patience. We hope you all enjoy a quiet and safe holiday season!

Regards,

Dominic
